

## **Aberdeen Mennonite Church Pastor**

Aberdeen Mennonite Church is inviting applications for a pastor to work on a part time basis (25 hours weekly or 0.625 FTE). Employment to commence this fall. As a community, we are ideally seeking a candidate who comes with experience in worship leading and preaching, will be very comfortable providing a full range of pastoral care, and most importantly has excellent communication skills as well as a passion to support the priesthood of all believers. They will build capacity and empower all members of our congregation to participate fully in the leadership of the many activities of the church, from preaching and worship/music leading to committee work and other volunteer activities.

Aberdeen is an intergenerational congregation committed to being an inclusive, affirming, Anabaptist Christian, north end, community church. We will support a new leader in feeling welcomed and connected to our church family. We currently meet on Sunday mornings, sharing a building with St Kateri Tekakwitha Indigenous Church, at 265 Flora Ave, in Winnipeg Manitoba.

We are committed to following the conference guidelines in matters of salaries and benefits.

The leadership team will be reviewing applications starting September 15, 2025. For further information and a full job description, please contact Jeff Friesen at Mennonite Church Manitoba.
