

## Seeds of Life Community Church - Interim Pastor

Seeds of Life Community Church is seeking an Interim Pastor to support the church as we transition from a pastoral team that has led this community since its inception 25 years ago. We are an affirming and inclusive church whose mission is to "Make Jesus Real". We do our best to live out our mission through our core values of openness, connectedness and responsiveness.

The role of the interim pastor would be 0.6-0.75 FTE for a term of 9-12 months. The term and FTE are both considered to be flexible. As a church community, we are committed to supporting and working with an interim pastor in feeling welcomed and connected to our church and wider community.

We are an intergenerational church with a growing population of young families. We meet on Sunday mornings at 116 Main Street. in Altona, Manitoba.

This position will be a blend of pastoral leadership and working alongside our church community to help identify its strengths and clarify its vision for the future. Seeds is a community that has a culture of flexibility and responsiveness to broader community needs. The leadership structure is based on a centered set model.

We are committed to following the conference guidelines in matters of salaries and benefits.
