Led by Laura Funk, Spiritual Director in Residence for MCM (2021-2022)

Pastors and Spiritual Leaders of MCM are invited to a Spiritual Buffet! Join us for refreshment and restoration as we take time to be loved in the heart of God. We will reflect together on Jesus' experience during the transfiguration and what we can take from that into our own hearts and share with those among whom we minister. You will have options to engage in various spiritual practices and connect with other Leaders of MCM. Come and rest and be renewed for the season ahead!

More information: We are working at finding ways to give each leader who comes their own sleeping space and limiting shared washrooms to 2-3 people max. We will also be working hard to follow current health guidelines. Due to space restrictions, families of leaders will not be able to be invited at this time and we will have to limit participants to a maximum of 15 people. Priority will be given to those who sign up for the whole retreat, but it is possible to come for part as well.
